

## Press Release for August 4<sup>th</sup>

### 1. Florence Township Water and Sewer

The drinking water remains in compliance, and the running average (4 quarters of testing) for PFOA is under the NJDEP limits. We are still required, however, to send out a notification letter to the residents and businesses each quarter until our new PFOA treatment plant is constructed. Florence Township has consulted with our water engineer and the NJDEP to develop a corrective action plan, and the design for the plant is underway. We will continue to test the wells to ensure the safety of our residents. For more information, please contact David Lebak at (609)-499-2518.

### 2. Recycling

The recycling center hours are: Monday, Tuesday, Thursday & Friday from 11 a.m. to 5 p.m. Saturday from 9 a.m. to 3 p.m. Check out our township website for Spring Cleaning & Recycling updates:

A police officer will subsequently be dispatched to handle your matter. Please see the Police Department website (<https://florence-nj.gov/public-safety/police/>) to obtain Police Reports, Handicap Placards or call (609) 499-3131.

## **8. Water Service Lines Letters – August**

In July 2021, P.L.2021, Ch.183 (Law) was enacted, requiring all community water systems to replace lead service lines in their service area within 10 years and to notify residents if their water service may include any lead materials. In Florence Township, the service line is owned & maintained entirely by the property owner. The newer water service line materials are typically copper and polyethylene. Prior to 1970, galvanized piping was used for water services. Galvanized piping usually includes a lead tail piece of approximately 3' long to complete the connection to the water main. Florence Township is developing a lead service line replacement program. If you have a galvanized water service or if your service material is unknown, you will receive a letter from us in August to raise your awareness of galvanized and lead service lines. If you are planning to replace your lead service line or if you have additional questions, contact us at (609) 499-2518.

## **9. Municipal Offices**
